

Changing Lives through the Power of Performance

To the Sing For Pleasure Community:

DCINY is delighted to be working in partnership with Manvinder Rattan to produce this truly exciting event at Carnegie Hall.

Our unique concert production model is what makes it possible for singers from around the globe to travel to New York and take part in a once in a lifetime concert experience at one of the world's most celebrated concert venues!

All singers take part in a 5 day/4 night residency, with rehearsals in Midtown Manhattan, dress rehearsal and concert at Carnegie Hall, and a post-concert dinner and reception.

Upon registration with DCINY, singers have the option of arranging their own travel and accommodation or selecting from the optional packages (hotel and airfare booked through DCINY travel vendors Artist Travel Consultants) outlined below:

1. DCINY Performance ONLY
